Dear Friends,

We are pleased to endorse Joe Stephens for Justice of the Peace, Precinct 3, Position 1.

This is not a decision that has come lightly for us. Our current Judge has been in office for over 20 years. Judge Parrott has always been fair to everyone, concerned about issues with our youth and senior citizens, and active in our communities. Knowing Joe Stephens for many years, we know that he shares these same concerns and will continue to address these issues.

More than anything, we need good people in public service today. We need someone who will listen to our concerns and cares about our community.

We believe Joe is the right candidate for the job and we ask that you join us in supporting Joe Stephens for Justice of the Peace, Precinct 3, Position 1.
